The purpose of the Move-In Condition Form is to note any pre-existing conditions in the apartment home you have leased. We will review your Move-In Condition Form and schedule priority repairs/replacements for items related to the following: broken appliances, water intrusion, and/or security related issues. For any other service items listed which are not priorities, we will schedule and complete the necessary repairs/replacements as quickly as possible. **This form is due in the Rent Drop Box within 48 hours of move-in date. The Rent Box is located in the mailbox area.**

Rent: Rent is due on or before the 1st of the month and considered late after the 3rd. Please deposit the monthly rent in the Rent Box.

Keys: You will be issued two keys for your front door and one key for the mailbox.

Parking: You will be assigned 1 covered parking space. All other vehicles can park anywhere that is not covered.

Pest Control/Air Conditioner Filters: The service is mandatory and performed on an 8 week rotation. You will receive a 48 hour notice before service.

Electrical Provider:

You are required to set-up service in your name by lease commencement date.

We hope that you have a smooth transition into your new apartment home. We realize that this can be a stressful time. Please feel free to contact us if there are any questions or concerns that arise during this time.
